The Day in Davenport

Want Change in Bridge Line.—The petition of the Bridge line cars was asked in a petition signed by 250 leading merchants of Davenport yesterday. The petition was addressed to the Tri-City Railway company. The petition originated among the Third street merchants between Pershing avenue and Harrison street. They believe that the section of Third street between Harrison, which has underlain such a big development in the last five years, should receive a share of the trade which comes from passengers on the Bridge line. It is not the request of the Third street merchants that the Bridge line should traverse Third street. But they do believe that three or four blocks on Third street should get an equal chance with Second street, pointing out the fact that the Bridge line car at the present time runs double on Second street. There were four petitions submitted yesterday in the hands of prominent Third street merchants. The committees circulating the petitions stated that none of the local business men had so far refused to sign. The petitions were presented to officials of the Tri-City Railway company yesterday afternoon.

Injured in Collision.—Hurled from his seat when a maddened French & Hecht team crashed into the truck in front of the shops on East River street, H. L. Anderson was dashed to the pavement and sustained a lacerated scalp and had wounds about the head and body. The team attached to a heavy wagon, driven by D. L. Leary, took fright at a wind blown newspaper. Dashing east on East River street, the maddened animals had not gone a hundred yards before the wagon was smashed against a Holbrook Furniture company truck. The truck was shattered and almost overturned. Anderson was thrown out and struck on his face and shoulder. He was unconscious when picked up by passersby. The injured man regained consciousness shortly afterward and was taken to his home. His hurts are not serious, physicians state.

Big Dish Subject of Complaint.—At a special meeting yesterday the board of supervisors faced the big growing out of the assessment for the ditch in the McCauley drainage district. For several years the ditch has been allowed to run on its own and it has gradually been crumbling away and accumulating defects until now it is a menace to farm land and forest land which it drains. The outlet of the ditch is choked up and the water is back up the ditch. The drainage of the Chubbuck cut which began a head dive into the canal some years ago after the government had finished the job. It cost approximately \$4,000 to get the ditch in serviceable condition. It will have to be repaired and the drainage of the canal is not elated over them. The drainage is particularly true of farmers who are not elated over them. The drainage is particularly true of farmers who are not elated over them. The drainage is particularly true of farmers who are not elated over them.

Disagree On Car Plans.—Failure to agree upon plans for the abandonment of the Fourth street car line, the re-routing of the LeClaire and Bridge line cars and the improvement of service on the Third street line, the special street car committee of the city council and officials of the Tri-City Railway company at a conference late yesterday afternoon decided to defer action on the plans for two weeks.

Begin Gas Experiments.—Important experiments have been begun at the Davenport gas plant by the People's Light company. Several different new grade oils have been purchased and are now being given a thorough test to determine their adaptability to the manufacture of gas. Rise in oil prices is responsible for the series of experiments. President B. J. Denman of the company has been notified by the refinery that the present contracts of the company for the grade of oil formerly used will not be renewed. This means that oil for gas manufacture must be purchased on the open market at the present advanced price.

MARKET AGAIN ERRATIC, WITH SUDDEN SHIFTS

New York, March 23.—The stock market developed irregular tendencies before the end of the first hour today. In moderate degree General Motors repeated its uncertain course of the previous session, falling back almost 100 points, but soon making more than full recovery. Stutz Motor gained 12 points at the new high of 237 and steel and tobacco were again taken in hand by bull pools. High grade petroleum reflected the heaviness of speculative spars of that division, notably Middle States Oil. Reactions became more general at noon despite the seven per cent opening rate for call money.

New York, March 23.—Regardless of prospects of tighter money and the reactionary trend of foreign exchange, price changes were materially higher at the opening of today's stock market. General Motors took the lead at a further rally at 6 1/2 points from yesterday's sharp setback and Crucible Steel made an initial gain of 3 1/2 points. Shippings were strong on the favorable annual report of the American international corporation and equipments made moderate advances with rails. Oils were irregular, however, on the renewal of selling pressure in the low grade issues.

The closing was steady.

Moline and East Moline DR. G. L. SUMNER DEVOTES TALK TO CHARACTER

After Dinner Club Speaker Plans For Incubation of High Ideals in Children.

Dr. Guilford L. Sumner, secretary of the department of health, Iowa, who spoke last night at the After Dinner Club program, devoted his evening to character building, its value, influence and purpose. Advance statements that the Iowa would give emphasis to the subject of sanitation and health were not fulfilled for the speakers considered only the spiritual and moral phases of community building.

"Our minds are given us," he said, "but our characters we make. God gives mind, man makes character. Mental powers must be cultivated; mind is no more character than a handful of seeds is an orchard of fruit. Mind is the garden, character the fruit; mind is the white page, character the writing on the sheet. The mind is the mental plate, character is the engraving we do on it; every day we spend in the shop or counting room, we count lost unless there is profit, mind is the counting room and every act of ours the dollar that later counts as profit. The dollar is made of 1,000 mills; character is made of 1,000 daily acts and thoughts."

He made a special appeal for the incubation of high ideals in the children of today. "The work of making character," he said, "is the noblest thing in the world." Its influence upon the world, he said, was the gauge of advancement. "The value of character is the standard of human progress; the nation tells its true worth in its estimation of character. If the character of our children is preserved then the future of the nation is assured and this is shown by what is happening today in the nations of the other continent."

Dr. Sumner is a native of Illinois and he recalled that Governor F. O. Lowden was "an Iowa boy" and commenting upon the exchange, he said, "we're for Frank O. Lowden for president, a sole comment upon a political topic of the day. Guests at the dinner were roused to demonstration at the mention of the Lowden candidacy.

East Moline Briefs

Mayor G. F. Johnson of East Moline called a meeting for Thursday night at which representatives of all community and city organizations and all lodges are requested to be present to discuss plans for Americanization day, May 1. At this meeting plans for a clean-up week will also be discussed.

Rock River Valley association will convene at the East Moline Plymouth Congregational church Wednesday and Thursday of this week. Delegates from surrounding counties are expected. A prominent Chicagoan will be the principal speaker. A dinner will be served by the ladies of the church Wednesday evening and Thursday noon.

Fines from men arrested Saturday evening in a raid on an alleged gambling joint at 1622 Third avenue totaled \$51.50. Magistrate Gustafson collected the fines last evening. The city gets the fine money.

Later last evening the police raided a store room at 228 Third avenue. Eight men were arrested. They will be arraigned this evening. Employed Boys' brotherhood will meet at the Y. M. C. A. this evening. Howard Harrington, advertising manager of the Moline Press company, will be the principal speaker.

Kansas City Livestock.

Kansas City, Mo., March 23.—Hog receipts, 17,000; higher; bulk, 14.50@15.75; heavy, 14.50@15.25; medium, 14.85@15.85; lights, 15.75@16.00; packing sows, 12.00@12.75; pigs, 12.75@15.55.

Cattle receipts, 10,800; weak; beef steers, choice and prime, 13.35@15.00; medium and good, 11.65@13.25; common, 10.00@11.60; light weight, good and choice, 11.75@13.50; common and medium, 9.00@11.75; heifers, 11.25@13.25; cows, 6.90@12.00; real calves, 14.00@15.00; feeder steers, 8.60@11.60; stocker steers, 6.75@11.50.

Sheep receipts, 7,000; higher; lambs, 17.00@19.50; yearling wethers, 15.00@17.25; ewes, 11.50@14.25; breeding ewes, 9.00@16.00; feeder lambs, 14.25@16.25.

MERCHANTS AND Y UNITE OFFERING SALESMAN COURSE

Moline merchants and the Y. M. C. A. will cooperate in giving a course in salesmanship which will open at the "Y" a week from today. Robert H. Brush of the United Y schools, was organizer of the course. W. M. Dowden of Brown's business college will be the instructor. There will also be lectures by prominent merchants of Moline.

Many merchants have agreed to pay major parts of the tuition of their employees. Tuition fee is \$9. A remittance of \$5 will be allowed to all ex-service men. Separate classes will be held for men and women.

Moline Obituary

Harry Murphy.
Death claimed Harry Murphy at 7:15 this morning in his home at 1229 1/2 Fifth avenue, after an illness of one year. Mr. Murphy was born Aug. 14, 1871, in Manchester, England. He came to America in 1894 and married Miss Margaret J. Clark of New Hampshire in 1891. To this union were born four children, who survive him with the widow. They are Harry Ogden, Clark Burslem, Gertrude Elizabeth and Hildred Mae. Two brothers, William of California and Thomas of Ohio, also mourn. Funeral arrangements have not yet been completed.

MOLINE BRIEFS

Benjamin "Sonny" Gillette. 4-year-old son of Mr. and Mrs. B. A. Gillette, 1812 Fourteenth avenue, was knocked down by an automobile yesterday and came within a few inches of losing his life. The accident occurred in front of the Gillette home. The front end of the car hit the boy and threw him underneath the machine. One of the heavy rear wheels touched him. The driver had stopped just in time. "Sonny" was bruised a little but otherwise unhurt.

Moline's annual free swimming school for boys will be held in the Y. M. C. A. pool during spring vacation, March 27 to April 3. More than 1,500 application cards have been distributed among boys in the grade schools and a larger attendance than ever before is expected. This is the first time that the school has been held during spring vacation.

All boys between the ages of 10 and 17 years are eligible. R. L. Bracher, Boy Scout executive, and Wilfred Keller, physical director of the Y, will be instructors. They will be assisted by Warren First, Gilbert Jamieson, Richard Toline, Harry Boas, Charles Adams, Don Allinson and Leonard Esterlund.

MOLINERS MAY BE RECOUNTED WHEN SURVEY IS MADE

Following a conference between Mayor C. P. Skinner and Rev. O. B. Enselman, director of the church survey announcement, was made that Moline's new census probably will be taken in connection with the church survey to be made April 12 to April 17, under auspices of the Moline inter-church council. However, this plan is subject to endorsement by the various organizations interested in the recount of Moline's population before it is a certainty.

Cooperation between the two projects is designed to eliminate as much annoyance to the public as possible. The survey to be made by the inter-church council will include a census.

MEET TONIGHT TO FORMULATE PLANS FOR CELEBRATION

Mayor C. P. Skinner has sent invitations to all organizations in the city and to many individuals to a public meeting to be held at the city hall at 8 o'clock this evening, at which plans for celebration of May 1 as Americanization day will be formulated. The mayor stated today that the general public will be cordially welcomed and that everybody interested should be there.

Committees probably will be appointed this evening and a general outline of the kind of celebration to be staged may be formed. Celebration of May 1 as Americanization day was suggested by the National Security league. Thousands of communities in the United States have endorsed the plan and will hold parades and other demonstrations.

TODAY IN ALEDO AND MERCER COUNTY

FINE MEMORIAL IS ERECTED TO VICTIM OF HUN

Frank McGee Places Monument in Aleo Cemetery for Son Who Died in France.

A life size monument to the memory of his son, Floyd D. McGee, has been placed in the Aleo cemetery by Frank McGee of Seaton. The monument is of sandstone and is an exact replica of the American soldier who fought in France.

Floyd McGee was inducted and served at Camp Dodge, Des Moines, Iowa, and Camp Pike, Ark., going from there directly to France. He was a member of the 47th infantry, company F, and was killed in action on July 15, 1918.

His father and one brother, Theodore survive, and the monument was placed beside the grave of his mother who died several years ago. It is the plan of the father to have the memorial for his son a monument for the family.

Much comment has been made by those who have seen the monument. It is exact in every way. The measurements are all perfect and the military outfit is complete, with rifle, bayonet, cartridge belt, canteen and even the collar ornaments are plainly formed. On the right side is the U. S. insignia and on the left is the crossed rifles of the infantry.

This monument is one of a few such memorials in the state. The company who furnished it for Mr. McGee stated that at the time of purchase only 12 had been sold to individuals. It is a fitting tribute to the son who made the supreme sacrifice and is a mark of gratitude both of the parent and of the country which the dead man defended.

WORD OF DEATH OF FORMER RESIDENT IS RECEIVED HERE

Word of the death of Dr. David Smith at Bliss, Texas, on Tuesday, March 16, has been received by Aleo friends. Dr. Smith formerly lived in Aleo, leaving here about twenty-five years ago for Wisconsin, Neb., where he studied the medical profession and practiced for several years. The remains will be taken to Wisconsin for burial. Besides the widow he is survived by two sisters, Mrs. Elizabeth Hunt and Miss Kate Smith, and two brothers, Homer and Albert.

HAVE NICE NEW TRAFFIC SIGNAL AT BUSY CORNER

Aleo pedestrians were greeted this morning by a bright new red flag in the center of the intersection of College avenue and Seventh street. The flag is stationed here to warn vehicle drivers and pedestrians to keep to the right side of the street. The flag, which has done service during the winter months, had become frayed and discolored and the new banner was put in position this morning by Chief of Police George Reed.

WOMAN'S MISSION SOCIETY RAISING THANK OFFERING

Members of the Woman's Foreign Mission society of the Methodist Episcopal church in Aleo are well pleased with the results of the past few days' work in raising funds for foreign missions. At Sunday morning's church service the drive was started and today it was reported that \$101 had been paid into the fund. This is said to be decidedly more than has been paid in in former years and the ladies appear well pleased in their efforts.

ALEDO PERSONALS

Miss Jessie Bear returned home to New Boston Saturday evening, following the day in the city with friends.

Mrs. C. M. Rader returned home to New Boston Saturday evening after spending the day in the city with friends.

Mrs. Anna Macklin and children returned home to Joy Saturday evening, after a short visit in the city at the home of Miss Lila Macklin.

Mrs. William Volentine returned home to New Boston Saturday evening, after spending the day in the city with friends.

Mrs. G. E. Williamson of Joy and guest Mrs. B. J. Barton of Milford, Iowa, spent Saturday in the city visiting with friends.

Mrs. L. E. Mannon went to Okmawka Saturday evening for a few days' visit there with her brother and sister.

Stewart Brown returned to his school at Ames Iowa, Saturday evening, after a few days' visit in the city with friends.

Mr. and Mrs. C. A. Freise went to Joy Saturday evening for a short visit at the home of their son, Lloyd Freise.

Miss Ella Bokoff went to North Henderson Monday morning to give instructions to a class in Red Cross work.

Mrs. Belle Cunningham returned home to Monmouth Monday morning, after a short visit in the city with friends.

Mrs. Katie Elwyn went to Viola Monday morning to teach in the high school in the place of Miss Lena Noble.

The Misses Grace Rush and Honora Evans went to Viola Monday morning, where they teach in the schools there.

J. F. White left Saturday morning for Peoria to attend the funeral of his niece, Miss Mary Martin.

The Misses Sara Cash and Genevieve Hamilton returned home to Viola Saturday morning, after spending Friday night in the city with friends.

Mrs. Walter Ehlers returned to Chicago Saturday morning, having been called here to attend the funeral of her brother, Bryant Stein. She was accompanied home by her mother, Mrs. F. Stein, who will make a short visit with her.

Fred Black of Monmouth returned home Saturday morning after a short business visit in the city.

Lawrence Whan went to Monmouth Saturday for an over Sunday visit there with friends.

The Misses Jennie and Mayme Kerr returned home to Joy Saturday evening after spending the day in the city with friends.

Mrs. Walter Thompson returned home to Arpee Saturday evening, after a short visit in the city with her sister, Mrs. George Snyder.

Mrs. J. H. Crane and daughter Miss Helen, returned home to Joy Saturday evening following the day in the city with friends.

Mr. and Mrs. Clarence Barr and baby went to Chicago Saturday evening for a few days' visit there with friends and relatives.

Mrs. C. A. Morrow returned home to Joy Saturday evening after spending the day in the city with friends.

Mrs. Floy Mayhew returned to her home at Joy Saturday evening, following the day in the city with friends.

Miss Lily Rehn returned home to North Henderson Monday morning, following a short visit in the city with her mother, Mrs. Hilda Rehn.

Miss Pauline LeMaster went to Galesburg Monday morning, where she takes piano instructions at the Knox conservatory.

Dr. M. M. Marquis left Monday morning for Chicago, where he will attend the Illinois State Dental meeting. While in Chicago Dr. Marquis will take some special X-ray work.

Mrs. Kate V. Collier left Monday morning for her home in Rock Island after several days' visit with her granddaughter, Mrs. William H. Nichols. Mrs. Nichols and son Billie returned with her for an extended visit with relatives in Rock Island.

If the electricity now generated in the United States could be used in a single gigantic nitrogen lamp it would almost equal the sun itself in brilliancy.

EIGHT DAYS TO PAY PERSONAL TAX IN COUNTY

April 1 Final Chance to Escape Sheriff Sale for Money Due on Private Property.

County Treasurer C. A. Friese announced this morning that April 1 would see the end of the grace period for delinquent tax payers. According to the state laws March 10 was the day for closing the personal tax account, but Mr. Friese has allowed a few days longer. There are several persons in the county who have failed so far to make payment on personal property. Under specific orders from the Illinois state tax commission, Mr. Friese will turn over the delinquent list to the sheriff for collection on the taxes. When approached this morning Mr. Friese stated that he did not like to be forced to hold sheriff sale for the collection of the taxes, but would be compelled to do so unless the payment was made within a few days. He said "all personal taxes must be paid by April 1 or the sheriff will become the collector." The collection on taxes on real estate has been very gratifying throughout the county, but there are many yet to make the payment. Mr. Friese said that April 1 would probably see a large part of the real estate taxes cleaned up.

MADE PART OF A DISTRICT IS OUT

Three school districts in Sees township sometime ago presented a petition to the county board superintendent of schools to be made a part of the Aleo community high school district. Yesterday was the day set for the consideration of the petition and only one representative of the petitioning district appeared before Judge Friend L. Church and he was opposed to the plan. After finding that no others were to appear, a motion for dismissal was made and granted. The case is now closed for those districts.
